REQUEST FOR AN ORDER  
APPROVING ARBITRATED  
AMENDMENT TO  
INTERCONNECTION AGREEMENT

Pursuant to the Opinion and Order of the Arizona Corporation Commission ("Commission") in its Decision No. 70460, Qwest Corporation ("Qwest") and Arizona Dialtone, Inc. ("AZDT") prepared and signed an interconnection agreement amendment incorporating the terms of the Commission's resolutions in Decision No. 70460. That amendment, which is known as the "Triennial review Order and Triennial Review Remand Order ("TRO/TRRO") Amendment to the Interconnection Agreement between Qwest Corporation and Arizona Dialtone, Inc. for the State of Arizona Interconnection Agreement" (the "TRRO Amendment") was filed by Qwest with its Request for Approval on September 5, 2008. Qwest respectfully requests that the Commission issue an order approving the amendment.

1 Qwest filed the TRRO Amendment for approval by the Commission pursuant to Section  
2 252(e) of the Telecommunications Act of 1996 and corresponding Commission rule R14-2-1508  
3 ("Rule 1508"). Rule 1508 provides that amendments to an interconnection agreement filed with  
4 the Commission become effective if not rejected by the Commission with 30 days of filing. This  
5 provision is commonly referred to as approval by operation of law, and Qwest understands that  
6 the Commission does not usually issue orders expressly approving such amendments. In this  
7 instance, however, Qwest requests that the Commission issue an order approving the  
8 amendment, because of the certainty such an order will provide the parties in the administration  
9 of their business transactions.
